RECOMBINATION PLAT PROCESS

DEFINITION OF A RECOMBINATION PLAT

A map which depicts the joining of two (2) or more individual units of land into a new configuration which complies with the required standards and which is intended for recording with the Wake County Register of Deeds. A recombination plat:

- 1. Does not dedicate or offer for dedication any new street or require construction of any private road for access to any of the lots.
- 2. Allows reasonable access to the remainder of the tract from which the lot or lots are conveyed of at least 60 feet in width.
- 3. Does not require extension of sanitary sewer mains or storm sewer mains or water mains to service the lots.
- 4. Creates no residual parcels which themselves do not conform to the requirements of the Unified Development Ordinance (UDO).
- 5. Does not increase the total number of lots.

RECOMBINATION PLAT PROCESS SUMMARY

- Applicant uploads pdf version of plat for electronic plan review via IDT Plan Review. <u>Click here to access</u> <u>IDT Plans Website</u>
- 2. Staff member reviews electronic plan submittals and hard copies submitted to the Planning Department for completeness.
- 3. If application is complete, Town Staff will review plat application and send comments to applicant.
- 4. The applicant must address all of the comments and submit revised plats via IDT.
- 5. Steps 3 & 4 may need to be repeated until the plat conforms to the requirements in this application.
- 6. Once the plat meets the requirements of the UDO and this application, staff will advise the surveyor to submit hardcopies for staff signature. The applicant must submit three (3) copies of the plat on Mylar. Each copy should include the signature and seal of the surveyor as well as the notarized signature of the owner(s).
- 7. The applicant must pay all requisite fees prior to the final approval of revised plats.
- 8. Town Staff reviews the Mylar plats. If the plats comply with the UDO, Town Staff will sign the Mylars. If the plats do not comply with the UDO, the applicant must resubmit the Mylars.
- 9. Once Mylars are signed, staff will notify the surveyor to pick them up.
- 10. The three (3) signed Final Plats must be recorded at the Wake County Register of Deeds within 60 days after approval. Wake County will keep one of the recorded plats. Plat must be stamped and signed by Register of Deeds.
- 11. The applicant must return one (1) Mylar copy of the recorded Recombination Plat and one (1) paper copy of the plat to the Planning Department. The recorded Recombination Plat must be on file prior to the issuance of any building permits

Contact Pam Filicky of the Property Mapping Team for Wake County - 919-856-6384 or pfilicky@wakegov.com to ensure updates are made to the County tax property maps.

FOR APPLICANT USE ONLY PLEASE DO NOT INCLUDE THIS CHECKLIST WITH YOUR APPLICATION SUBMITTAL

25.	List any notations previously required to be		
	placed on a prior plat of the property by action of		
	any approving authority.		
26.	·	review of the final plat by either the subdivider or the	
	Town.		

REQUIRED NOTES:

1. Where Town of Apex Public Utilities are installed within easements crossing private property, the Town's Water Resources Department, Public Works and Transportation Department, and Electric Utilities Department shall have the right to enter upon the easement for purposes of inspecting, repairing, or replacing the sewer main and appurtenances. Where paved private streets, driveways, parking lots, etc. have been installed over public sewer mains, the Town of Apex shall not be

RECOMBINATION PLAT CHECKLIST, NOTES & CERTIFICATES

responsible for the repair or replacement of pavement, curbing, etc. which must be removed to facilitate repairs. The Water Resources Department, Public Works and Transportation Department, and Electric Utilities Department shall excavate as necessary to make the repair, and shall backfill the disturbed area to approximately the original grade. Replacement of privately owned pavement, curbing, walkways, etc. shall be the responsibility of the property owner and/or Homeowner's Association.

- All off-site easements shall be acquired by the developer and these off-site easements shall be recorded by a deed of 2. easement prior to utility infrastructure construction approval. These easements shall be dedicated to the Town of Apex and labeled "Town of Apex Public Utility Easement".
- No person shall place any part of a structure, any permanent equipment, or impoundment upon the Town of Apex Public Utility Easements. Prohibited structures include, but are not limited to: buildings, houses, air conditioning units, heat pump units, storage/tool sheds, swimming pools, walls, retaining wall mechanisms/appurtenances, decks, garages, and fences. Upon prior written approval by the Water Resources Department, Public Works and Transportation Department, or Electric Utilities Department, as appropriate, fences may be permitted across easements provided that an access gate is installed for the full width of the easement.
- No person shall plant trees, shrubs, or other plants within a Town of Apex Public Utility Easement without prior written approval from the Water Resources Department, Public Works and Transportation Department, or Electric Utilities Department, as appropriate.
- 5. Contact the Planning Department to get a copy of the zoning conditions.
